

NSC Safety Congress & Expo

Indianapolis, IN

2026

Professional Development Seminars

Sept. 11-13 and 16-17

Congress & Expo

Sept. 14-16

Dear

The world's largest annual gathering of safety professionals – the NSC Safety Congress & Expo – is happening in Indianapolis this year and I would like to go. There will be Professional Development Seminars* Sept. 11 - 13 and 16 - 17, and the Congress & Expo will be held Sept. 14 - 16. The conference is dedicated to making people safer in the workplace and on the road.

There are also more than 130 educational opportunities. Several of them are relevant to my role. They'll help me gain knowledge, and understand how we can improve our safety program.

Lastly, I'll have the chance to connect with thousands of safety, health and environmental professionals from around the world. That would be a great way to broaden my perspective and help me take a fresh look at our safety challenges.

These exhibitors would be especially relevant to my role and responsibilities:

Here are the educational sessions I'd like to attend:

Here's about what it would cost:

Airfare:	\$
Transportation (between airport and hotel):	\$
Hotel:	\$
Meals:	\$
Registration Fee:	\$
Professional Development Seminar(s):*	\$
Total:	\$

The opportunity for me to develop better contacts and gain knowledge makes my attendance at the 2026 NSC Safety Congress & Expo a wise investment, which will yield rich dividends for our company.

Thank you for your consideration. I look forward to your reply.

Sincerely,

* Professional Development Seminars – September 11 - 13 and 16 - 17 – Pre-registration and additional fee required.
